

Dear Parents

This information outlines the teaching and learning to be covered over the half-term. If you require any further information, or ideas for the kind of support you could give, please do not hesitate to contact us. Thank you for your continued help and support.

Year - 2 Term - Autumn 2 - 2017

Class Teachers

- Mrs D Wright
- Mrs B Fox / Mrs C Simmons

Frozen Planet

Brief Overview:

Literacy: We will be writing a biographical recount of Guy Fawke's life, writing character descriptions from our class story 'George's Marvellous Medicine' and describing characters and settings from the Disney 'Frozen'.

Numeracy: This half term our main areas of learning in maths will be:

- Addition and subtraction
- Multiplication and division
- Measurement, length and mass

Science: We will be investigating waterproofing and be exploring ice. We will be using question stems to plan and carry out investigations in small groups. We will make predictions, observe and talk about our findings. We will draw and interpret graphs from our findings.

Geography: We will be learning to name, locate and identify characteristics of the capital cities of the United Kingdom. We will focus on Cardiff, Edinburgh and Belfast.

History- We will be learning about Guy Fawkes and why we remember him today. We will also be finding out why we have Remembrance Day and consider the results of war.

Design & Technology:

Children will explore a range of puppets. They will then design and make their own puppet characters.
