

Dear Parents

This information outlines the teaching and learning to be covered over the half-term. If you require any further information, or ideas for the kind of support you could give, please do not hesitate to contact us. Thank you for your continued help and support.

Class Teachers -

- Mrs D Wright
- Mrs M Moorhouse and Mrs B Fox

Year - 2 Term - Spring Term 1 - 2019

Fighting Fit

Brief Overview:

Literacy:

We will be writing a report on famous sporting people, an explanation about what it takes to become a great football player, a poem on Sporting Heroes, instructions for fruit smoothie making and a recount about the activities that the children take part in on our visit to the Institute of Sport.

Numeracy:

- Multiplication and division
- Statistics
- Addition and Subtraction

Computing:

E safety - Think you know.co.uk E-safety and The Smart Crew

History: We will be looking at the life of famous sports people and events from the past.

Geography: We will be learning to name and locate the worlds 5 oceans and 7 Continents.

Art:

We will be use collage, pastels, pencil and ICT to create pictures of trophies, sports equipment and events

Religious Education: What is fair and what is unfair? Linked to the Bible story of The Good Samaritan

Physical Education:

Games - Games will be led by Mr Richardson from 'Live and Learn' sports.

Dance - Exploring the theme of different environments and cultures of the world.

Learning different dance styles - Hakka

PSHCE: Feelings and Relationships

Discussion of...

What can boys do and what can girls do? - What makes me the same/different?

What feelings do we all share?

How does it feel to be different?

What influences me and the choices I make? Do I influence other and in what way and do I influence them?

How do adverts affect me? / What makes a good friend?

Music:

We will be following the Charanga scheme and the Unit ***I wanna play in a band*** based on rock music.

Science:

We will be looking at animals including humans. We will be finding out about and describing the basic needs of animals including humans for survival (water, food and air) and describing the importance for humans of exercise, eating the right amounts of different types of food and hygiene.

Please arrange to see us if you would like any further details.

If you would like to help with this topic or you are interested in helping in class at all we would be very grateful. Please see us at your convenience.
